Dr. H. W. Luce,
Peking University,
150 Fifth Avenue, New York

Dear Dr. Luce,

As a matter of record I am quoting below the actions of the Executive Committee of Peking University, voted on by correspondence during the first half of August, 1927:-

E - 2144 VOTED that the Executive Committee approve the report of Mr. George G. Barber as submitted in accord with action F -2143 of the Finance Committee.

E - 2145 VOTED that the Executive Committee, recognizing the prolonged and invaluable service of Dr. Henry W. Luce in building up Peking University, and the severe tax upon his health and strength which has resulted from his service in financial campaign, grant to Dr. Luce a vacation on full pay for a period of six months from August 15, 1927. It is understood that during this period Dr. Luce will, as far as possible, furnish any information requested of him by the Finance Committee. It is also understood that at the end of his vacation Dr. Luce will confer with the Finance Committee as to his further financial service to the University.

Since these actions were merely voted on by correspondence and have not as yet been approved by a regular meeting of the Executive Committee, they cannot be considered finally adopted. At the earliest possible date, a meeting of the Committee will be held, and these actions will be taken up for ratification.

Very sincerely yours,

Assistant Secretary
Peking University
