and can be reached c/o Office of Peking University, 156 Fifth Avenue, New York City. Dr. Luce will be authorized to conclude a contract and thus save time. I suggest that the contract be written on a three year basis with travel expenses both ways.

It is only fair to state that since Governor Chen Shu Fan conferred with me a few weeks ago, serious political disturbances have arisen in his province which have been aggravated by bandit raids and his position at this writing is quite uncertain. After hearing by cable or letter of an available man I shall be able to cable calling off the agreement if political changes should make this necessary. Dr. Luce will doubtless communicate with me before finally signing any contract.

Very sincerely yours,

President
