for) and the first permanent building has been given through the generosity of Mrs. N. P. Wheeler as a memorial husband.

This gives real grond for encour gement; and yet, should the financial situation not change in the Fall beyond the assur nce we have at the present moment, the forces we have put to work up to date will be inadequate. On the other hand, it would seem that, whatever may be the issue of the special campaign; the Board of Trustees can hardly let another nine months pass without making certain that they can authorize the Field Board of Managers to go ahead with the initial plant.
