Dear Eric:

I forwd the attached just as I was leaving the office. This is the only copy we have of these "points" by Dr Brown.

I imagine this will need early attention, so as to get it into the hands of Dr Vincent & Dr Stearns hands as long before the Peking meeting as possible. Dr Mott's any statement we make here would need to be supplemented by data presented by the Board of Managers.

Ever truly
H. W. Luce

P.S. Later. Thanks for the item about statement for Ed. Commission. I have noted it, and was wondering how best to deal with it. Much of the material for the China Med. Board statement would apply, most of this can be gotten only at the office. Dr Burton sails Aug 18th, so I imagine if we have it ready by that date at the steamer it will be O.K. the earlier would be better. I will take it up when I am down for July 30th or Aug
