In planning for the Fall it would be well to take under consideration a matter that has been mentioned earlier, namely, arranging for Mr. T.T. Lew to return to this Country to co-operate with us next year.

I am really sorry to object to this plan of the daily detailed report that is being put through at so much trouble and expense on the part of the Finance Committee, but really I cannot see its great importance with reference to Mr. Caskey and myself, and I really think it is almost impossible for me to undertake it. It seems to me to be only another case of where it would have been wise to have consulted us on the field in a matter that relates to us so vitally, and has relation to the technique of our task on the field.

I am sorry that I cannot be at the meeting of the trustees, but of course our schedule would make that impossible.

Hoping you will have a good meeting, believe me,

Very sincerely,

H W Luce

If you will look into our office matters you will find, no doubt, as I found when here recently. That they are filed in our lists & records of same. This daily report will only add one more item.
