March 13, 1923.

Mr. James A. Linen,
Scranton Life Building,
Scranton, Pa.

My dear Mr. Linen:

At a meeting of the Finance Committee of the Trustees of Peking University today, the generosity of yourself and others in the city of Scranton in undertaking to provide for a building to serve as a student center at Peking University, was brought to our attention, and we desire to express to you our very great appreciation for the leadership which you are taking in this matter.

We understand that the project is in the nature of a recognition of the service which Dr. H. W. Luce, Vice-President of Peking University, has rendered in the past. The proposal is certainly one of very splendid kindliness of feeling, and exhibits the high regard in which Dr. Luce is held. I take very great pleasure in transmitting to you the formal action of our committee in this connection, and trust thatyyour labors toward the securing of this amount will be abundantly capped with success:

VOTED that the Secretary be instructed to express to Mr. James A. Linen, of Scranton, our very great appreciation of his taking the leadership in securing funds for a student center building at Peking, in recognition of the services of Dr. Luce to the institution.

Assistant Secretary,
Peking University.
