I spend Sunday in Warren Pa. and then to Cleveland.

Ever truly

(Signed) H. [illegible]

P. S. I hear Mr. Carrier is going out to China to dedicate a school building he has given. As soon as word arrives will not the Committee on the Bashford Memorial have to take up matters? Such leads as others of us have secured to date on the matter have failed and time of special interest in such a matter will soon be passing, will it not?
