MEMORANDUM

October 14, 1926

For Dr.Luce:

I find on checking with Mr.Hogel concerning the Portsmouth residence that the amount referred to of $3320. has been made available to the Presbyterian Treasurer on the field instead of having been remitted to us, we here having had no information about it of any kind. I am instructing Mr.Wiant to take steps immediately to collect this from the Treasurer of the Presbyterian Board in China.
