Dr.H.W.Luce,
150 Fifth Avenue,
New York, N.Y.

Dear Dr.Luce:

I am giving below information regarding several items concerning which you have inquired in recent memoranda:

1. The complete residence list for Peking University is now being revised by Dr.North who is awaiting fuller information from Mr.Gibb. It is expected that Mr.Gibb will be in New York City in connection with certain Peking meetings next week and it is hoped that at that time this list can be revised to date and copy supplied to those desiring to receive it.

2. Ritter Residence - In regard to this residence, I believe the records show that $4000. has been paid, $2000. on Feb.16,1926 and $2000. on March 16, 1927. This leaves $2000. still due. In connection with this item I am appending a copy of a recent letter from Mr.Warner to Dr.North.

3. Presbyterian quota on Yenching faculty - I believe this matter is to be taken up at an early meeting of the Executive Committee.

4. Peking University residence list on Presbyterian new property list for 1926-7. I am informed by the Presbyterian Board that this item was included so as to supply a definite object for members of the Presbyterian constituency who wished to contribute to Peking University through the regular channels of the Board.

Trusting that this information meets your needs, I am

Very cordially yours,
