Memo to Mr. Garside:

These are items about which we are needing information and on which Dr. North could give help.

1. Complete Residence list in process of being revised by Dr. North.

2. Ritter Residence:
   Jan. 29, 1924 his father subscribed $6000
   Feb. 16, 1926 Paid 2000

What is to be done about $4000 unpaid balance?

3. The whole question of the Presbyterian quota on Yenching Faculty is needing early attention due to the withdrawal of Corbett and Vincent, relationship of Mr. Mead etc. etc.

This seems to me to be very important. How shall we deal with it?

Very truly,

H W Luce
