Overbrook
Church, (when the pastor was away) so have not met him that I recall. An elder & one well-to-do lady ~~there~~ was much interested.

If there is no better place, I could (on the basis of any date we may have) stop there later whenever I get east.

Mr Carbery might know something about it & ~~that~~ young Yale man who helped us in the Phila Campaign (with Tamblyn & Brown) might know. Mr Harold Strong could tell us of this ~~man~~ — of this Yale man — who later helped "Yale" in Spring of 1924.

Find out from Mr Evans or Dr North what should be done & let me know.

Sincerely
H W Luce
