Dear Eric

INDEXED

Here are some items which you may find of interest in the big "TRANSFER" the present "episode".

I kept nothing "under my hat" but for once in my life "Brer Fox. he lay low" ~~and say nuthin~~ (as Uncle Remus has it) which you will admit is some miracle for this particular "Fox". Did it ever occur to you that perhaps this particular "Fox" was not foxy enough.

In the Rol of Bards
