Attention Dr North

Dr.Henry W.Luce,
Kingkade Hotel,
Oklahoma City, Okla.

My dear Dr.Luce:

I have from Dr.Stuart a copy of his letter of January 18th to you with reference to the infirmary. Of course, you understand in this matter there is no reason for consulting Mrs.McKelvey who perhaps would be surprised to learn that the infirmary was not wholly going up in view of the fact that she had furnished all of the funds for it. We here had authorized only the middle section pending the disentangling of our financial difficulties. I am now working on the problem of releasing the rest of the funds necessary and will cable if they can go ahead with the completion of the infirmary. I hope to be able to clear this with the Finance Committee next week.

You may not know that before Mr.Barker left New York we had the results of Mr.Murphy's studies of the infirmary design assembled and put into shape for Mr.Barker to take with him so that on his arrival on the field the influence of Mr.Murphy's suggestions would be fully in hand. This, of course, was not known to Dr.Stuart when he wrote.

I am hastening this off in order to forestall any correspondence with Mrs.McKelvey.

Call OK.

Cordially yours,

Eric M. North
