Dear Dr. North:

Dr. J. Fort Newton is publishing in McCall's Magazine every month a "Sermon of the Month". For the Christmas issue he is publishing a sermon of our Yenching Professor T.C. Chao. He desires a photograph of Mr. Chao but after careful search we are not able to find a suitable one though there is a very little one in one of our pamphlets but too small to be of any real service. The material has to be ready by September and it is suggested that this is important enough (even from the point of view of publicity for Yenching) that we might wish to send a cable for same. It seems to me quite important that we should do so.

Will you let me know at your earliest convenience whether a cable can be sent or not?

Very sincerely,

H W Luce
