New York City,
November 28,1927.

Mr.George Barber,
Graybar Building,
New York City.

My dear Mr.Barber,

"From our conversation last Thursday, I understand that the Finance Committee desires to make plans which will secure a larger income than seems possible to them under present arrangements. This effort to secure greater funds is, happily, so much in accordance with my own great desire for the University that I could hardly fail to be willing that the committee proceed in this great task without my cooperation.

I regret, however, that the personal plans which I made when endeavoring to carry out the desires of the committee, as registered in its action of April 1st, and July 7,1926, are such as to make it necessary for me to ask the committee to hold to its original agreement in the matter of personal finance."

Trusting that the new plans will be successful even beyond our hopes, I am

Very cordially yours,

H.W. Luce
