Dr. Henry W. Luce,
422 Farmington Ave.
Hartford, Conn.

My dear Dr.Luce:

I am attaching an extract from President Stuart's letter of September 1st. I know you will be interested to have this information regarding the status of the various land purchases they are hoping to make.

It seems as though someone made a rather serious blunder in handling the purchase of the President's garden. I hope this will not seriously complicate the situation, although it seems that at best there may be a delay of a good many months.

What do you think of the possibility of interesting Mr.Hamilton in the other land needs of the University as set forth by Dr.Stuart?

Very sincerely yours,

B. A. Garside
