TRANSFER

Dr. Henry W. Luce,
422 Farmington Avenue,
Hartford, Conn.

My dear Dr. Luce:

In response to the cable we sent recently to Peking, we have just received the following reply:

> "Athletic field can be secured; land needed will not cost more than Gold $5,000.; do not need (or there is no need) payments President property in the near future."

I am hoping to get a meeting of the Finance Committee in the near future and will present this matter to them and inquire whether they will authorize the field to go ahead.

Very cordially yours,

Secretary,
Peking University.
