Dr. Henry W. Luce,
422 Farmington Ave.,
Hartford, Conn.

My dear Dr.Luce:

We enclose herewith your check for $250.00 covering the last half of the month of March. According to our records, this payment completes your arrangements with Yenching University whereby salary was to be continued to March 31, 1929. We all know that you will always continue to have a warm interest in Yenching and in all the Christian higher educational work in China, and that you will be eager to assist at any time and in any way. We know too that you and Mrs.Luce will always remember in your prayers this Christian work which is steadily growing in spite of all the difficulties with which it has been surrounded during recent years.

I hope we shall see you here in New York from time to time during the spring months. There are always a number of matters on which I would like to consult with you.

With all good wishes, I am

Very cordially yours,

BAG-H
