YENCHING UNIVERSITY

PEIPING, CHINA

American Office
150 Fifth Avenue
New York, N. Y.

The Yenching Trustees sincerely hope that you will accept the enclosed invitation. The affair is primarily a testimonial in honor of Dr. Henry W. Luce, Vice-President Emeritus of Yenching University.

Dr. Luce has given nearly half a century to educational work in China. Perhaps no one has had a larger share in building up the physical plant, endowment and current support of the University. He has just returned from a year spent in the Orient.

About fifty persons are invited to the dinner - Yenching Trustees, the Women's College Committee, and their wives and husbands, and some of the friends who have been the most substantial contributors to the upbuilding and support of the University. Dr. Hume, who will be the principal speaker, has also just returned from the Orient and knows intimately of the growth and present position of the University. While Dr. Luce is not being told of the testimonial nature of the dinner, he is to be present and will speak. The cost of the dinner is being borne personally by a few members of the Board.

There will be no solicitation for funds at this dinner or as a result of attendance at the dinner. Again, we hope you will be with us.

Sincerely yours,

President, Board of Trustees
