WRIGHT S. LUDINGTON
ATLANTIC BUILDING
PHILADELPHIA

May 10th, 1932.

Mr. E. M. McBrier,
Yenching University,
150 Fifth Avenue,
New York City.

Dear Mr. McBrier:

Dr. Stuart and Dr. Jenney both have told me of the terrible troubles of Yenching. I am sorry I could not be at the last meeting but I was over a thousand miles away.

I told Dr. Jenney that I myself could do nothing further financially but that I recalled that I had made two pledges, one I believe for Endowment and the other for a small building. Dr. Stuart said all such building operations must mark time. I suggested that my pledge for the building be changed to the fund to cover the Rochefeller money. Dr. Jenney seemed to like this. I suggest that others be asked to do the same. I'm sure they would.

no, they were both "1928 Campaign pledges", but JLS talked with him in Apr. 1930 re a rec.

I see no other way to meet this situation. I have had no luck approaching any one and see no chance of having any. I am also very sorry that it will be impossible for me to attend the meeting this coming Friday.

I hope there is something in my idea.

Sincerely,
C T Ludington
