ODW says that Dr. Jenney was really not responsible for the gifts from Mr. Ludington and that Dr. J. was not the first Yenching representative to meet Mr. L. Dr. Stuart had met Mrs. Ludington and she was anxious to have Dr. Stuart meet her husband, which was later arranged. At the time Dr. S. thought Mr. L. was going to give at least $50,000.00 or some such large gift. ODW later saw Mr. Ludington who said that he would have to make a minimum contribution. This was apparently done when Dr. Jenney still later met Mr. L. ~~making~~ and secured the first $10,000 gift.

It was learned just the other day that it was Mrs. Waring Wilson who first got Mrs. Ludington interested in Y.U.
