SAINT GAUDENS ROAD
COCONUT GROVE, FLORIDA

March 21-1932.

My dear Mr. Wannamaker:

Your letter was forwarded to me in Florida.

Mr. Ludington and I wish that we might plan to have some friends meet Mr. Stuart but, unfortunately, we are staying down here until some time in April — the middle of the month or later. Because of our plans which have to be uncertain, we cannot set any definite date for anything.
