My dear Mr. Ludington:

In Mr. Wanamaker's absence from the office on vacation I beg to acknowledge receipt of your check for $4,000.00 to apply on the pledges which you have so generously given for the work at Yenching. At a time when the abnormal financial depression is adding greatly to our difficulties, we are very grateful for this payment. It is only through the kindness of friends like you who stand by us that the University is able to continue its vitally important work. I am sure that both Dr. Stuart and Mr. Wanamaker will be very happy to learn of this gift.

Our official receipt for $4,000.00 is enclosed herewith.

Very sincerely yours,

Corresponding Secretary
