Dear Mr. McBrier:

I am very glad to hear that Dr. Young had a successful interview with Mr. Carey. He would be a splendid person to have become really interested.

I will try to arrange to make an additional payment on my Yenching pledge in the very near future. Whether I can do it before the end of the year or not is uncertain.

Despite having been laid up during the past week, I am now really feeling much better. I will have to go south, however, and I am leaving on January 11th. I certainly hope things will work out so that I can get to more of the meetings. I feel I have really been quite useless.

With best regards, I am,

Sincerely yours,

C. T. Ludington
