Mr. E. M. McBrier,
Yenching University,
150 Fifth Ave.,
New York City.

Dear Mr. McBrier:

This is just a hasty line enclosing my check for $250.00 as a small payment against my pledge! I shall hope to add more this year.

I have been, and still am, swampted with work on the affairs of one company since my return!

Sincerely,

C T Ludington
