My dear Mr. Ludington:

Kindly pardon delayed reply to yours of July 12th, enclosing your check for $100.00, receipt for which is herewith enclosed.

We greatly appreciate this payment and your continued interest in Yenching University.

I have been absent, visiting my youngest daughter, and arrived in the office this morning. This explains delay in responding to your secretary's letter.

You will be glad to know that we secured our objective of $300,000 for our united Christian Colleges group for the year ended June 30th. So far as I have heard, this is the only campaign for China that has secured its objective during the last year with the exception of the Seventh Day Baptist group.

We are now making plans for the current year's emergency campaign - a total of $330,000 being necessary to carry our twelve colleges through the coming fiscal year.

Appreciating your continuing interest, and your help, I am

Most sincerely yours,

E. M. McBrier
