New York, N.Y.

Dear Mr. McBrier:

Thank you very much for your very nice letter of December 18th.

You may be sure that I will make more payments on my pledge as rapidly as possible.

We will be at 3508 St. Gauden's Road, Coconut Grove, Miami, Florida, and we will be delighted to see you and Mrs. McBrier if you would be coming over to our part of the state. Coconut Grove is about six miles south of Miami proper on the Ingerham Highway. St. Gauden's road crosses the highway at the point where the Gulliver School is located and our house is the last one on the right as you go towards the bay. If you are coming, please give us a little advance warning as otherwise we are likely to be off on a fishing trip or something of that sort.

With best Christmas wishes, I remain,

Sincerely yours,

C. T. Ludington
M.
