Source of data

Wagner letter 8/10/06

Date data gathered

June 29, 2006; updated 8/15/06

Collection 1

name of collection

Public Relations and Alumni Publications

background

Northwestern educational roots are in the area of ministry, and more specifically, missions. Since missions have been important from the inception of the college, some office on campus has always taken care to provide missionary updates for alumni. Includes mention of missionaries who served in South Asia.

access/use restrictions

Library use only

finding aid

Organized by year and issue

materials

Published under varying names and produced by varying offices of the college, this collection includes periodicals with articles ranging from brief updates (location, children, and furlough) to full page spreads.

Collection 2

name of collection

Student publications

background

Northwestern educational roots are in the area of ministry, and more specifically, missions. Since missions have been important from the inception of the college, the college has spent time, energy, and resources on recording the activities of current and former students.

access/use restrictions

Library use only

finding aid

Organized by year and issue

materials

Includes student newspaper, yearbook, publication of the student missionary club; all of which include highlights on students serving in foreign mission fields.
