REC'D. SCOTT

MAR 14 1919

Ans'd. 19

4302 WALNUT STREET
PHILADELPHIA

March 13, 1919.

Dear Mr. Scott,

The names that I should like to suggest for
~~cooptation~~ are the following:--

Dr. J. M. T. Finney, Professor of Surgery at Johns Hopkins. X
Dr. John H. Finley (Dr. Brown's suggestion of this name X
was an inspiration of genius).

Dr. Edward B. Meigs, Washington, D.C., formerly instructor
in physiology at Harvard and now
doing research for the Department of
Agriculture.

Major Redfield Prester, Prester, Vt.

Samuel T. Carter, Jr., Esq., 111 Broadway, New York City.

There is no physician that I knew of whom I should
prefer to Dr. Finney as a board member. He will be hard
to get, but well worth working for. The last three are
personal friends of either Mrs. Schultz or myself and I
question whether it is worth while trying to get any
of them while we are in this country. When we actually
return to China there is a good chance to get them, and
I believe that they would all be extremely valuable and
active as board members. Carter, who is an elder in the
Crescent Avenue Church of Plainfield would do well as
one of the representatives of the Presbyterian Mission
Board rather than a coopted member.

I enclose a letter just come from Dr. Meershead
that will interest you. We have no idea what the C.M.B.
will do for us after next year and we shall probably
find ourselves with a big job on our hands. I know of
no better way of preparing for it than to have a member
of our Joint Board join a British member in China for
a first hand examination of the whole field situation.
At the meeting next month we must seriously canvass the
possibilities of sending out someone in the autumn.

With kind regards, I am

Very sincerely yours,

(One enclosure)

W. M. Schultz

William M. Schultz, M.D.,
4302 Walnut Street,
Philadelphia, Pa.

My dear Dr. Schultz:

Thank you for your good letter of March 13th with its enclosure of a letter to you from Dr. Moorshead, which I return herewith.

Your nominations for coopted members of the Shantung Board are eminently worthy and desirable gentlemen. My one general question in regard to them is that they all, with the exception of Mr. Carter, live at a distance from New York City and experience shows that this is rather difficult to secure attendance at Board meetings of members living at a distance.

In regard to a representative of the Shantung Board to visit the University in September, it begins to look as though I might be there at that time though no one appreciates better than I do how inadequate my representation would be. Do not hesitate to go ahead and make any remarks you want regarding the desirability of having some one else as the, or an additional, American deputy.

With best wishes, I am

Very sincerely yours,

Geo. T. Scott

PHILADELPHIA

March 28th, 1919.

Dear Mr. Scott,

Your letter of March 19th, with call for meeting of the Shantung board and with Dr. Meershead's letter, reached me duly.

I am glad indeed that there is the probability that you will be able to be in Shantung in the autumn with Dr. Meershead. The secretary of the board certainly should be there. If, now, it could be so worked that a good accepted man would go as well, I believe that your burdens on your return would be greatly lightened.

I hope to be able to attend the meeting two weeks from to-day.

Very sincerely yours,

W. M. Schultz

Dear Mr. Scott,

More trouble for you! After adjournment to-day, Mr. Hawkins, Dr. Cochrane, and I were so engrossed in carrying on the discussion that I thought it wiser to carry it on at lunch with them than to keep my appointment with the college people at the Latham. Will you be able to see that Shantung gets in on the advertisement scheme, or will you please ask Williams to write to me about what they did? *I shall be obliged to you*

Don't you think that Dr. Bevard is the man to find a means of access to Dr. Finney and to go to Baltimore to see him about coming on the Board?

Very sincerely yours,

H. M. Schultz

Dear Dr. Brown,

In the bustle of last Friday I did not get an opportunity to say to you how much I admired your skill in enlisting the interest of Prof. Monroe, in getting him to become a member, and then the president, of the board. You have done the board a great service. If we continue to have such success we shall do well.

Sooner or later he must spend a few weeks in Tsinanfu, studying us at first hand and giving invaluable counsel. What we now have of plant and students, our needs, and our problems, should he become directly familiar with it all, would surely win his permanent interest and make him a most useful member of the board.

Very sincerely yours,

W. M. Schultz.

Philadelphia, Pa.

My dear Dr. Schultz:

I have just written to Dr. Bevaire regarding the items in the Minutes of the Shantung Joint Board Annual Meeting that specially relate to him and I have suggested to him that he is the logical man to secure the acceptance of Dr. Finney as a member of the Joint Board. At the end of my letter I gave him your address and told him that you were "very happy to cooperate in any way that he can regarding promotion of the interests of the University".

After I received your letter on the 14th I went to see Dr. Williams regarding the advertisement of China Union College and found that he had gone to the West for an absence of about a week. I shall plan to speak to him when he gets back. In the meantime you might wish to write Dr. Edmunds at the Canton Christian College office in this building or to Dr. H. C. Jones at the Methodist Board, 150 Fifth Avenue.

Prof. Paul Monroe writes referring to your inquiry if he was acquainted with anyone at Johns Hopkins who might help in obtaining the cooperation of Dr. Finney; Prof. Monroe says:

"I know President Goodnow, but he is at present on a mission in Poland, and I fear that I am not acquainted with any other man who would be of any immediate assistance to us."

With kind regard, I am

Sincerely yours,

Geo. T. Scott

Secretary Shantung Joint Board.

Dear Mr. Seott,

Many thanks for your good letter of
the 17th with the minutes and for the letter
of April 23d re Dr. Finney.

I have written to Dr. Bevaire also.

It will be interesting to know
whether the committee to call upon Mr. Greene
and the C.M.E. succeeded in getting the C.M.B.
to make any commitment as to the future.

With kind regards, I am

Very sincerely yours,

Dr. Brown

May 20, 1919.

Dear Dr. Brown,

1 Thankyou for the notice of the Shantung Executive Committee meeting to be held on the 27th. I do not expect to be in New York at that time, and unless some special reason for my being present emerges later, I shall not plan to attend.

2 It will be interesting to learn what progress has been made in obtaining the acceptances of the new ceopted members. Mr. Seott and I both thought that in the case of Dr. Finney Dr. Bevaire was the man to lay the train, and we have so written Dr. Bevaire.

3 It will also be interesting to know whether the committee that was to call upon the China Medical Board was able to get from that board any commitment as to its future relation to the Shantung University.

Very sincerely yours,

W. M. Schultz.

Dr. William Schultz,
4302 Walnut St.,
Philadelphia, Pa.

My dear Dr. Schultz:-

Just this minute in clearing up letters preparatory to starting for the Far East I find, caught in with a clip of letters on Canton Medical College, a memorandum which I got from you some weeks ago and which I have since then been unable to locate. It refers to the matter of which you inquire,- i.e., to whom to send advertised matter or the joint advertising suggested for the union Christian colleges in China. Dr. Edmonds informs me that the conference which you were prevented from attending decided to put out advertisement of the same kind for religious papers on the basis of a five year program and that the material was to be placed in the hands of the Rev. Joseph Beach, Dixon, Ill. I do not know what funds Shantung would have to pay for its share of such an advertisement. There is \$100. set aside for incidental New York expenditures of the Joint Board, and I believe only one expenditure--for a cablegram-- has been charged against this amount.

Hastily and sincerely yours,

Geo. T. Scott

RECEIVED

FEB 1 1920

~~Dr. Brown~~

519 East Fourth Street,
Tucson, Arizona.
January 28, 1920.

My dear Dr. Brown,

As I expect to be in this part of the country for the rest of the winter and the spring, and as this is not within striking distance of New York, it seems best that I herewith present my resignation from the Shantung Joint Board and make place for some one who will be more active in its service. It has been a cause of great regret to me that I have been unable to do anything whatever for the Board, in whose success and efficiency I am deeply interested.

In a recent letter, Dr. Balme, the newly appointed dean of the Medical Department, tells me that he is going home on furlough via America and that he expects to be in New York in April. I trust that he will be able to attend the annual meeting and bring a report of the latest news from Tsinanfu.

Very sincerely yours,

Wm. Schultz,

Dear Mr. Scott,

Thanks very much for your letter of
March 16th. You have gotten a very capable fellow in
Henry Cochran, and, with his brother on the faculty, you
will probably, if you are lucky, get some work out of him.

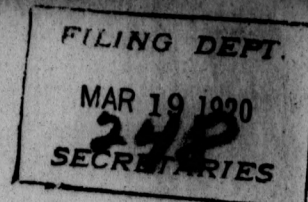

I hope that your trip to the East was a
pleasant and profitable one, and I am very glad indeed that
you could see the Tsinan work at first hand.

Very sincerely yours,

W. M. Schultz

re. resignation

March 16, 1920.

William M. Schultz, M.D.,
4402 Walnut Street,
Philadelphia, Pa.

Dear Dr. Schultz:

Upon my return from the Far East I regret to find your letter of resignation from the North American Joint Board of the Shantung Christian University. We all sincerely regret that your continued ill health compelled you to take this step but we fully understand your feeling and desire in the matter. Inasmuch as you were a member of the Joint Board by virtue of your election on that Board as a representative of the Presbyterian Board of Foreign Missions, the Presbyterian Board at its meeting yesterday March 15, 1920, took the following self-explanatory action:

"The Board received with regret the resignation on account of ill health of William M. Schultz, M.D., as a representative of this Board on the North American Joint Board of the Shantung Christian University and Mr. Henry J. Cochran was elected to fill the vacancy."

Dr. Moorhead of the British Joint Board, with whom I was associated in the recent conferences in Shantung University, is now in New York City and is coming into the office in a few minutes to discuss the affairs of the University which I believe are looking up very hopefully.

If you come across any strong men for the staff of the Medical School at Tsinan, please keep us in touch with them as our Presbyterian quota on the Medical staff is in a very bad way just now with your absence. Dr. Neal withdrawn for the Presidency of the Institution, Dr. Hoye invalided home and Dr. Cochran home on furlough.

With best wishes, I am

Very sincerely yours,

Geo. T. Scott

Dr. William M. Schultz,
529 East Fourth Street,
Tucson, Arizona.

My dear Dr. Schultz:-

Thank you for your letter of May 10th. I regret that in my letter to you of February 8th I led you to believe that you would receive a further letter from me. The action of the Field Board confirmed that of the Medical Faculty. What I charged my mind with was to write to you in case the action of the Field Board did not concur in that of the Faculty of the Medical School.

From your latest letter, it is clear that you wish to go to the Field only "under the aegis of the Presbyterian Board," and that you are not ready to undertake the service in the Sington Hospital. Therefore, the only combination meeting these requirements is to be under the Presbyterian Board on the University Staff, but inasmuch as the University has not yet seen its way clear to accept you as a member of the Presbyterian quota of the Faculty, we are not in a position to send you, as I explained in a previous letter.

I am writing to the Field today, giving quotations from your letter, and it is possible that they may find some adjustment which can be made.

The enclosed copy of minutes of the recent board meeting will interest you.

With kindest regards, I am

Yours very sincerely,

Sec. T. Scott

Secretary of the North American Joint Board,
of the Shantung Christian University.

Gentlemen,

Will you please forward the enclosed letter to Dr. Randolph T. Shields. It contains a check for \$200 contributed to his work. Please have it registered and request a return receipt.

I do not know whether he is in Tsinan or not nor whether a letter addressed to Tsinan would be delivered in these troublous times. I am therefore taking the liberty of asking you to deliver it to him when and where you can.

Very sincerely yours,

W. M. Schultz.

August 14, 1930

Dr. Wm. Magill Schultz,
529 East Fourth St.,
Tucson, Ariz.

My dear Dr. Schultz:

Let me acknowledge receipt of your letter of August 11 with which you enclosed a letter and check for \$200 which you ask us to transmit to Dr. Randolph T. Shields.

We are today forwarding the letter and check to Dr. Shields. He was still in Tsinan a few weeks ago and I presume he is there yet in spite of the military disturbances which have been drawing closer and closer to the city. I noticed in this morning's papers that Banking airplanes bombed the Shansi forces occupying the city though apparently the damage was confined to the interior of the walled city. Since this is at some distance from the University I trust that the campus was not endangered. From the dispatches I understand that the foreigners are still remaining in Tsinan though there is some possibility that they may have to withdraw to Tientsin. In a letter I received from Dr. Shields yesterday he mentioned that the Tsinan-Tsingtao Railway had not been operating, and the papers have indicated that the railroad is still completely disrupted.

The University has managed to continue to function reasonably well in spite of all the incessant disturbances through which it has passed during the last few years. The latest news from the field indicates that they hope to reopen all departments as usual at the beginning of September. I sincerely hope that the disturbances in the Shantung area will not be so serious or so prolonged as to compel the abandonment of these plans.

With sincerest appreciation of your generosity in making this further contribution to Dr. Shields' work, I am

Very sincerely yours,

B. A. Garfield

Secretary

BAG-H
