My dear Miss Lepper:

I am enclosing herewith a statement of Miss Olson, Assistant Treasurer of the Joint Committee of the Women's Union Christian Colleges in the Orient, which will explain itself. Will you kindly check up these figures with your own records and communicate with Miss Olson direct. The balance due the College according to Miss Olson's figures, as I understand, will remain until the outstanding pledges have been paid. We hope all will be paid by the first of August this year.

In the meantime, we trust that funds will continue to come in so that when the final payments are made, according to the vote of the Joint Committee in New York on April 3, the College will receive more than the \$18,432 as reported in the enclosed statement.

I remain,

Very sincerely yours,

My dear Miss Lepper:

I am enclosing herein a receipt for \$306.50, being payment for the 10,000 North China booklets which were ordered on October 10, 1921.

Payment of this bill has been authorized by Dr. Barton and also by Mrs. Peabody and they have authorized me to charge same to the North China Medical College. Will you therefore enter upon your books against the credit from the Campaign this amount as having been paid for the College?

They do not feel that the printer should be kept waiting any longer and as we have cabled to the college the advance of \$17,500, they feel it is only right that this matter should now be settled, so I will ask that you adjust same on your records as I am charging this payment to the North China Medical College.

Very sincerely yours,

Hilda L. Olson

My dear Miss Lepper:

I am enclosing herein check to your order for \$1,844.97, being the net amount due North China Medical College to date. This together with \$96.13, cost of exchange on letters of credit, and the \$14.10 we paid for cable to notify them of Mr. Hunter's authority to draw against the letters of credit, makes a total amount paid to you from this office of \$79,784.14. This amount includes besides interest, 1/7 of undesignated gifts of \$620.15 since the closing of the Campaign, amounting to \$88.59.

This together with the interest since the closing of the Campaign accruing to North China Medical of \$292.96 and undesignated gifts up to December 31st of \$210.75 makes a total to North China Medical from me of \$79,784.14, which together with the \$11,855.26 which went to you direct and which you did not send to me makes a total of \$91,639.40.

Mr. Hunter has drawn against letter of \$17,500. - \$4,500., which leaves \$13,000. on the letter of credit and together with the \$59,400. established the first of January leaves \$72,400. which is drawing interest for North China Medical until the letter of credit is paid. As soon as Mr. Hunter has withdrawn the amounts of the letters of credit I shall send you the interest accrued up to that time. By special arrangement with the bank I am getting 3% on same for you.

Very cordially yours,

Hilda L. Olson

**JOINT COMMITTEE OF THE WOMEN'S UNION
CHRISTIAN COLLEGES IN THE ORIENT**

**COMMENTS ON THE AUDIT
FOR THE PERIOD FROM FEBRUARY 28, 1923 TO MARCH 10, 1924**

All payments and the receipt of income and proceeds of sales of investments were supported by satisfactory vouchers. Also, the receipts from contributions appeared to be accounted for.

The securities were all sold and the balance on deposit at the Old Colony Trust Company was verified by correspondence.

The following amounts have been set aside:

For continuation of the office for three years, as per vote of the committee, by check to the order of Dr. Barton,..... \$30,000.00

For the payment of the following drafts on letters of credit, issued but not drawn against, the amounts having been charged to the various colleges, as if actually paid:

Cinling,.....	\$ 5,006.25	
North China Medical,.....	72,490.50	
Vellore,.....	<u>1,000.00</u>	<u>\$78,496.75</u>

This latter amount has been deposited in the Old Colony Trust Company for the payment of above drafts.

Balance in the regular account,..... \$ 6,000.00

This is to be used as follows:

In place of a note for a subscription which has been charged to one of the colleges as cash, in case the note is not paid,..... \$ 1,000.00

For any unpaid bills that may arise, including the cost of bronze tablets which have been ordered for the various colleges, 5,000.00
Total,..... \$ 6,000.00

Any balance remaining, together with some additional interest on deposits, will be finally divided among the colleges.

The percentages for the division of March 10, 1924 are as authorized by the finance committee, and have been correctly figured.

**JOINT COMMITTEE OF THE WOMEN'S UNION
CHRISTIAN COLLEGES IN THE ORIENT
COMMENTS ON THE AUDIT. ETC.**

We call your attention to the fact that the total interest and profit from investments exceeds the total campaign expenses, including the \$5,000.00 reserved, by \$7,855.63, showing careful and able management of the funds.

We cannot refrain from congratulating the committee upon retaining the services of Miss Olson, who has shown great ability in her conduct of the affairs of the committee.

~~Miss Helen L. Clark~~
~~1000 17th St.~~
~~Cambridge, Mass.~~

My dear Miss Clark:-

A letter from the Foreign Field states that the letter of credit for \$75,000. issued by you to the Treasurer of the Shanghai Christian University has expired, they having drawn but \$5,000. against this letter.

Would it be possible for you to cancel this letter of credit instead of renewing it and pay the \$75,000. to me as treasurer? Or perhaps my bank could make some arrangement with the Old Colony Trust Company whereby the securitization covering this letter of credit could be transferred to the Bankers Trust Company and we could renew the letter of credit to the Treasurer of the University with the understanding that no drafts could be made upon it without first having the consent of the committee. This ties our Women's Committee more closely with the operations on the field and would be of great benefit to me as treasurer in knowing what is going on as regards the funds which I am supposed to handle.

Awaiting your reply with interest and kindest regards,

I am

Yours truly,

Lucy Lepper
Treasurer.

March 4, 1925.

Miss Ellen L. Stone,
1 Arsenal St.,
Cambridge, Mass.

My dear Miss Stone:-

In regard to the Letter of Credit with the Old Colony Trust Company for the Shantung Christian University I find, that by New York laws I could only get 25% on this Letter of Credit if I put the actual funds behind the Letter of Credit. However I am able to invest the money in short term easily negotiable securities and they will execute the Letter of Credit with these behind it and in that way I am able to earn from 4 to 5%.

It may be sometime before this money is needed and it may be very shortly, but by combining the funds which you have on hand with the funds on hand here I can earn quite a bit of money by investment before all the funds are needed. For this reason I do think it would be much better for the Old Colony Trust Company could ask for the return of this Letter of Credit and then pay the remaining funds over to me.

I hope everything is going well with you.

Thanking you for your prompt reply to my last letter,

I am

Yours very sincerely,

Lucy Lepper

Associate Treasurer.

My dear Miss Lepper:

I have your good letter relative to the Letter of Credit for the Union Medical College and will write you definitely what arrangement the Old Colony Trust Company will make regarding this Letter Of Credit. In the meantime, will you find out from your bank what interest it will allow you on it there? They are giving you 3% here and I have learned in connection with other missionary work that New York banks will not do that. In that case, would you not want it to remain here, the interest accruing to you?

There is considerable interest already which I will have transmitted to you as Treasurer, but will withhold same until I hear from you definitely regarding the interest granted in New York City and what your wish in the matter is should the interest not be as high a rate as what I have secured for you here.

Very sincerely yours,

GUESTS:

Mrs. D. J. Fleming	Mrs. Lewis L. Anewalt
Miss Grace Lindley	

Meeting was called to order by the Chairman, Miss Hodge and opened with prayer by Mrs. MacGillivray.

VOTED that the Executive Secretary act as secretary pro tem for the meeting.

MINUTES:

The minutes of the last meeting were reviewed by the secretary and approved as sent out.

Miss Hodge spoke a few words of welcome to the guests present all of whom were members of some one of the College Committees and it was

VOTED that the privilege of the floor be accorded these guests.

Owing to the fact that many of those present had to take early trains out, it was

VOTED that the time of adjournment be set for 4 P. M.

AD INTERIM BUSINESS:

The secretary reported the resignation of Mrs. Philip M. Rossman, representative of the Lutheran Board and the appointment of Miss Mary Markley to fill her place. The chairman expressed the sorrow of losing Mrs. Rossman and joy at receiving Miss Markley.

The secretary further reported the use of the office of the Cooperating Committee and Executive Secretary by the Ginling Committee during the period following March 24th and the effort to raise a fund for the emergency needs of the faculty. This matter had already been submitted to the chairmen of the seven committees for their approval. The expenses of this service were borne by Ginling College Committee.

JAN
1928TREASURER'S REPORT

Miss Hudson gave her annual report as Treasurer of the Committee showing total receipts of the year as \$15,009.74. Of this amount \$14,494.70 had been distributed to the Colleges. The report also showed a balance of \$10,066.92 in the operating fund, January 1, 1928. It was

VOTED that the report of the Treasurer be received and placed on file.

The Executive Secretary gave her report with a few verbal additions. The report was accepted.

It was reported that during the past year, Mrs. Goodman had visited six of the seven Union Christian Colleges belonging to our group. Mrs. Anewalt had visited two. Mrs. Roys four in China and Japan and Mrs. Boyd the three in India.

Miss Bender expressed the gratitude of Ginling College Committee for the help of the office during the past year.

UNFINISHED BUSINESSMEMORIAL TABLETS

Miss Bender read the action of the Committee last year concerning the memorial tablets given during the Building Campaign for the Women's Union Christian Colleges in the Orient and then reported briefly on her correspondence with Miss Olson and Mrs. Cook concerning the tablets. Mrs. Cook brought an informal report for the Tablet Committee saying that the tablets are complete and have been sent to the field and the balance of the money set apart for these tablets has been returned to the six colleges.

Miss Tyler spoke of the request from two colleges on the field for the amounts of the gifts which these tablets represent, it being difficult to place the tablets without this information. Mrs. Cook was unable to give any idea of the amounts of the memorial gifts, this information being in the hands of Miss Olson who has sailed for the Orient.

Mrs. Roys wished the Committee to record its conviction that in the future any memorial tablets placed on our college buildings should be printed not in English but in the language of the country.

THE FUTURE OF COOPERATING COMMITTEE

In opening the discussion of this most important subject, the secretary sketched briefly the outstanding developments of the year and read letters from Vellore and Madras Committees expressing their conviction that a Central Office for the Committee was unnecessary. The chairman then called on the Executive Secretary who spoke further of the developments of the year including what she considered to be the strong and weak points in our scheme of cooperation stressing the great need if the office should be continued, of closer cooperation between the College Committees and the office that the office may know the plans of the individual Committees. In the lengthy discussion which followed, the following points were brought out:

1. The importance of wholehearted cooperation
2. The office has not been going long enough to give it a fair trial.
3. We need closer cooperation rather than less cooperation - we can do more together than separately.

JAN 12
1928

4. With the present system of representation by denomination, the College Committees have no way of expressing themselves.
5. There are phases of the work which some thought could be done better by the individual Committees.
6. The Cooperating Committee might exist with all work carried by a volunteer secretary and no office. (This was thought by many to be impractical.

There was a general feeling that the matter should be intensively studied in cooperation with the College Committees. With this end in view, it was

VOTED that we express our appreciation of the work of the Central Office of the Cooperating Committee for the Women's Union Christian Colleges in Foreign Fields, and that we approve of continuing the office for another year on the understanding that a thorough study be made at once of the functions of the Cooperating Committee; that a committee of three, of whom the chairman shall be chairman be appointed to conduct this study in conference with the governing Boards of the several Colleges, taking into consideration the problems raised by the Executive Secretary and the actions taken by several of the College Boards; and that a special meeting of the Cooperating Committee be called in June to receive the report of the Committee.

BUDGET

The following budget was then presented for the year 1928:

<u>Approved Budget - 1927</u>		<u>Expenditures</u>	
		1927	1928
Stenography	1300.00	1250.00	1400.00

Office Incidentals	250.00	273.65	250.00
TOTAL	\$6200.00	\$6123.04	\$6700.00

In view of the uncertainty of the future of the Committee, it was

VOTED to ask the Executive Secretary and the Treasurer to cut the proposed budget to the same amount as last year - \$6200 and it was

VOTED that this budget of \$6200 be approved by the Committee with the understanding that the Executive Secretary and Treasurer be allowed to readjust the items within the budget.

My dear Mrs. McDowell;-

At the special meeting of Cooperating Committee called September 28th, 1928 to consider the report of the special committee appointed to conduct a study of the functions of a Cooperating Committee, the following actions of special import to the College Committee were taken.

Approval of actions of Cooperating Committee for Women's Union Christian Colleges

1. That the office of Cooperating Committee be discontinued on December 31st, 1928.
2. That Cooperating Committee recommend to each of the Cooperating College Committees and Mission Boards that on December 31, 1928

1. That the office of Cooperating Committee be discontinued on December 31st, 1928.
2. That Cooperating Committee recommend to each of the Cooperating College Committees and Mission Boards that on December 31, 1928 or as soon thereafter as possible, the Cooperating Committee for the Women's Union Christian Colleges in foreign fields be dissolved.
3. That an Administrative Committee of representatives chosen by the Women College Committees be named to cooperate and advise with the Executive Secretary in order that in the three months remaining for the continuation of the office, provision be made for the conservation, in so far as is possible, for everything gained through the efforts of Cooperating Committee and that this Committee after December 31st become a Continuing Committee to begin work when Cooperating Committee ceases to exist and continue its work until such time as the books of Cooperating Committee shall be closed.

Because of the shortness of time, it is very essential that this Committee meet by October 15th and that it meet rather often thereafter until December 31st.

I am writing to ask that as Chairman of the Women's Committee of Shantung University Medical School you will appoint one member of the Administrative Committee as soon as possible and notify me of that appointment that the Committee may be called by October 15th.

In the appointment of this representative, I am asking that you consider that the meetings will of necessity be held in New York and that in winding up the affairs of the office there will be a number of committee meetings some of which will be called on short notice.

I am also asking that the Women's Committee of Shantung University Medical School take any action it deems necessary in compliance with the second action taken by Cooperating Committee and notify me of such action. A letter is going to the Cooperating Mission Boards requesting prompt action on item two. I am asking that the members of your Committee cooperate in securing such action.

If any question arises in your mind concerning this meeting, I would suggest that you confer with Miss Hodge, Miss Bender and Mrs. Boys who were present at the meeting.

Hoping that I may have an early reply as to your appointment of your member on the Administrative Committee, I am

My dear Mrs. Shaw:-

As you know, we are planning to close this office on December 31st. When we opened the office several boxes of correspondence concerning the building campaign came to us from Miss Shaw.

At the meeting of the Administrative Committee a few days ago, it was voted that all of this correspondence not relating to any particular College should be destroyed and that all correspondence relating to any particular College should be offered to that College Committee.

As secretary of the Woman's Department of Shantung Medical College, I am writing to offer you any correspondence relating to that College. We will be glad to send you everything we find or we will be equally glad to go over this material and sort out anything which in our judgment might be of value to your committee, or if you find there is nothing there you would care for, we would be very glad to destroy it.

Will you kindly instruct me as soon as possible what you desire to have done with this correspondence. We are eager to clear it out at an early date.

Very sincerely yours,

Dear Miss Hudson:

In accordance with your request, I have examined the cash receipts and disbursements of the Treasurer of the Cooperating Committee for the Women's Union Christian Colleges in Foreign Fields for the period January 1st, 1928, to May 31, 1929. The duplicate deposit slips and total receipts recorded in the check book agree with the total bank credits, as indicated by the bank statement balances, and the disbursements are as recorded in the check book and set forth in the Treasurer's Report of payments totaling \$28,834.83. The segregation of operating expenses paid is in agreement with the details of the office statements.

When all outstanding checks to the order of the Treasurers of the several colleges have been returned, the bank balance will be shown as in the report, \$500.00.

Cordially yours,

(signed) A.E. Seibert

Auditor.

To the Treasurer of Shantung University Women's Medical College:

My dear Mrs. Shaw:

The death of Mrs. Anne Elizabeth Vander Veer Bohman occurred in 1927. She had been deeply interested in the work of the Christian Colleges of the Orient. In her will she left \$25,000.00 to the First Baptist Church of Philadelphia, Pa., to be divided as the trustees of the church saw fit - between "The Women's Christian College of the Orient" - and the Missionary Society of that church.

Miss Tyler and I have been in touch with the lawyer and the church, and though there was an error in the wording of the will have convinced the court that her intent was to designate our seven colleges. From an accumulated interest fund of approximately \$4000. the trustees have "seen fit" to appropriate \$200.00 to each of the seven colleges.

I am enclosing the check which has just come through for Shantung University Women's Medical College. The trustees have given us no promise in writing, but through conversation we are led to believe that in the future you will receive approximately \$50.00 per year from this fund.

Very sincerely yours,

Alice M. Hudson

To the Treasurer of Shantung University Women's Medical College:

My dear Mrs. Shaw:

The death of Mrs. Shaw, who had been deeply interested in the work of the Christian Colleges of the Orient, has been a great loss to the first Baptist Church of Philadelphia, Pa., to be divided as the trustees of the church saw fit - between the women's Christian College of the Orient, - and the Missionary Society of that church.

Miss Tyler and I have been in touch with the lawyer and the church, and though there was an error in the wording of the will have convinced the court that her intent was to designate our seven colleges. I am enclosing the check which has just come through for Shantung University Women's Medical College. The trustees have given us no promise in writing, but should correspondence be sent to believe that in the future you will receive approximately \$20.00 per year from this fund.

Very sincerely yours,
