May 4, 1926.

Mr. James H. Lewis,
Peking University
150 Fifth Avenue,
New York City.

Dear Mr. Lewis:

On the 23rd of March, I wrote a letter to your office in regard to a memorial gift from Mr. I. C. Goodridge of Santa Barbara. At the same time I wrote to the Presbyterian Foreign Board, asking them to cooperate with you in the selecting of a young woman who might be the recipient of the income from this scholarship fund. From Mr. Russell Carter, I have now received a letter.

He tells me that Dr. Spaulding has already communicated with him about this matter and that the Board felt they could not assume any responsibility in the matter of the selection of the girl for the scholarship. They had already written this to Dr. Spaulding, but on account of his illness and the death of his Assistant, I was not able to find the records of that correspondence.

It now seems to be the unanimous desire of our church and of the donor of the fund, who is a member of our church, that you select a young woman in the Womens Department of Yenching, who shall receive one hundred and forty dollars a year, interest from this fund as scholarship. Your nomination will be submitted to our Session and of course will be approved and the money will be sent to you by the treasurer of the fund, who was appointed by the donor. He also is a member of our Session. I presume you will ask the faculty of Yenching to select the young woman who will receive this scholarship. The income of the fund will be credited at the Presbyterian Foreign Board as a special.

Mr. Marwick, the other day showed us one of the Yenching lions which he received as contributor to the Yenching University. I saw some of them in your office. If there are any of them left, I should very much like to have one for Mrs. Bronson.

After the first of June our address will be Ortega Hill, Summerland, Santa Barbara county, California. Mr. Wm. H. Conkling, who is a friend of Dr. Luce and of Peking University and also a member of the Session of the first Presbyterian Church of Santa Barbara is going abroad for a year and we are to occupy his house.

- Mrs. Bronson joins me in most hearty greetings to our Peking University friends.

Yours always,

P. S. I have just received Mr. Eric North's letter of the 28th of April. I shall take the entire matter up with Mr. Schauer and with our Session as well as with Mr. Goodridge and I have no doubt but that we can adjust it quite to the satisfaction of everybody. Of course I understand that a gift of this kind could not be credited in the regular budget of the Board or of Yenching's share in the Board Budget. Dr. Spaulding too, must have known this. I am surprized that Mr. Schauer and Mr. Goodridge did not understand.

While we are adjusting the thing here, you might go on with whatever plan seems to you best for the selection of a young woman to receive the scholarship. As soon as you desire, we will see that the money is sent to you.

I will write you more in detail as soon as I have had a chance to talk with Mr. Schauer and Mr. Goodridge. Please pass this communication on to Mr. North and thank him for his very definite and enlightening letter.

Yours always,

(Signed) OLIVER HART BRONSON.

My dear Mr. Schauer:

I take pleasure in advising you that the Scholarship Committee of Yenching Woman's College has nominated Miss Chung Wen-hui of Foochow, Fukien, China, as the first beneficiary of the Frances A. Goodridge Memorial Fund. Dean Frame writes about her:

"She was a former student and did extremely good work but has returned to her home high school, Yenshan, where she has been teaching for two years with great acceptance. She has nothing but her salary to help her finish her college course, and so she wrote to us some time ago to ask if there might be some scholarship aid. The Scholarship Committee feel that she would be a very promising candidate for this fund, as she has already proved herself by her fine scholarship and her teaching ability, and is now coming back for three years more work before she takes up teaching again."

I believe that Miss Chung fully meets the qualifications of the trust and that Mr. Goodridge may feel well satisfied with the person to whom the first aid from the fund will go. I would appreciate it if you will be kind enough to see whether this nomination is satisfactory, and if so, forward the amount available for the scholarship for the school year 1926-7. Check for the amount should be made payable to Peking University and sent to the undersigned who will issue a receipt of the University therefor for the specific purpose of the fund.

Will you also kindly advise me as to the proper officer of the session or of the church in Santa Barbara to whom Dean Frame can write about Miss Chung, and to whom Miss Chung herself can write?

Dear Mr. North:

Your letter of the 30th of July in regard to the scholarship for Miss Chung Wen-Hui has just arrived. I have taken the matter up with Mr. Goodridge, the founder of the fund, and with Mr. Schauer, the trustee. He tells me that he has also heard from you.

I have no doubt that the first payment toward this scholarship will be on its way to you before very long. What Mrs. Frame writes of Miss Chung sounds very good. The only possible delay may be due to the inability of the Presbyterian Board to have a part in the nomination but Mr. Schauer is taking that matter up and will be able to adjust it satisfactorily I have no doubt.

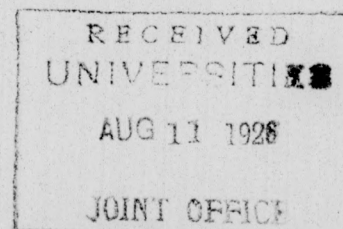

I greatly appreciate all that you and Mrs. Frame have done in this matter. Since my last letter to you my home address has become Ortega Hill, Summerland Post Office, Santa Barbara County.

Dr. Spaulding is still ill so that I shall probably be at the church here through most if not all of the coming winter. I greatly appreciate all that comes to me from Peking University so please see that my address is up to date on all of your mailing lists. Either First Presbyterian Church, Santa Barbara or Summerland is all right.

My dear Mr. Schauer:

Re: Frances A. Goodrich Scholarship Fund

I am advised by Mrs. Murray S. Frame, Dean of Yenching Woman's College that the amount of the income from the fund is so much larger than ordinary scholarships that the faculty of the Woman's College have voted to make it a competitive scholarship if that should be satisfactory to the church and to the donor of the fund. I quote from Mrs. Frame's letter as follows:

"The faculty of the Women's College voted to make the Frances A. Goodrich scholarship a competitive one, to be awarded as an honor scholarship to the student who at the end of junior year has the highest grade ratio and has accomplished most both for the college and in the development of her own abilities. If the scholarship money is not desired by this student, it shall be awarded to the student having the second highest grade ratio. The award shall be announced at Commencement time. This was partly in response to your suggestion that since the scholarship is unusually large, it should be in the nature of a special award. I am planning to write a letter to the secretary of the Session, Mr. D.H. Schauer, telling him about this. This will mean, of course, that the scholarship cannot be awarded until Commencement time. This will not embarrass us, since Miss Chung Wen Hui to whom we had tentatively awarded the scholarship in September, was taken ill and could not return this year to her work. In this way the fund will be available for bestowal in June."

No doubt you will hear from Mrs. Frame upon this matter. I am writing to let you know that I am informed and that we will be guided by your decision. It is my judgment that the recommendation of the faculty of the Women's College is a wise one.

Secretary

My dear Mr. Schauer:

I am sure that the Session of the Presbyterian Church of Santa Barbara, who were interested in founding the Frances A. Goodridge Scholarship Fund in Yenching College for Women will be pleased to know that the scholarship for the year 1928-1929 was awarded to Miss Liu Hsi Chen, one of the very finest girls we have ever had in Yenching. As you know, we have made the Frances A. Goodridge Scholarship an honor scholarship to be awarded at the end of the junior year to the girl who has not only the highest scholarship record, but who has also made a distinct contribution in the service of the college and in the development of her own capabilities. Miss Liu took the highest academic honors of any girl in her class, her particular field of study being chemistry. In addition, she was President of the Student Association in a time when we were subject to many tense situations due to general political disturbances throughout the country. She carried our women students through with wisdom and understanding, and consequently, at Yenching we did not have the serious student troubles that many other institutions in China did. She is a fine Christian, and has not been afraid to stand for her convictions even when sentiment in China ran counter to them. I think you can well be proud of her as the beneficiary of the Frances A. Goodridge Scholarship.

We are hoping very much that Miss Liu may be able to get a scholarship to study at one of our American Universities as a graduate student when she graduates from Yenching this year, and then come back to us to teach in our Chemistry Department. She has applied for one of the Barbour Scholarships offered by the University of Michigan to Oriental Women, and we hope very much it will be awarded to her. She is a girl of limited

0327

means and can only go if she has scholarship help, and we do very much hope that she will get this help, for she is of the calibre that will profit by it. If she goes to the United States this next year, I hope that it may be possible for her to meet the members of your church. I am sure they would feel with us that the Frances A. Goodridge Scholarship Fund has been well invested in her.

The Goodridge Scholarship is the most coveted of any of our scholarships, because of the high standard that it sets and the honor that goes with it, and I do want to thank the Session of your church once again for having made it possible.

My dear Miss Stahl:

Your letter of March 27, addressed to my brother, D. H. Schauer for the Session of the Presbyterian Church of Santa Barbara, was handed to me. This letter is very interesting, both to myself and the Session of which I am Clerk as well as the Trustee of the Frances A. Goodridge Scholarship Fund.

I wish to thank you for this letter and to state that I shall be glad to receive such a report each year as to the disposition of the scholarship funds and the personnel of the recipients. My dear Mr. Schauer:

A day or two ago I received a formal notification from the New York office that the first payment on the Frances A. Goodridge Scholarship for the year had been made. I was just about to send you a letter telling you of the awarding of the scholarship which was made this year.

Perhaps I should introduce the subject by telling you that the Committee this year had great difficulty in making the award, as there were three students who stood very close together at the top of the Junior class. They are all outstanding in different ways. T'an Ch'ao-Ying has showed great ability and interest in literary work. She really is very talented and has already done a good deal of writing which has been published. She is also one of the students who is very friendly and quietly helpful wherever she is, and is very much looked up to by the other students. The Committee accordingly awarded to her the Frances A. Goodridge Scholarship.

However, as the two other girls were so near, and since through the favorable exchange, there had accumulated a surplus through the year, the Committee felt justified in dividing the surplus between these other two, and giving them honorable mention. One of these was Ho Chen-I, a striking-looking girl of very attractive and vivacious personality who has done extraordinarily good work in the Home Economics Department. She is a great leader among the students. The third was Miss Tso Te-Chen. She is a poor girl without any family connections, who has worked her way along by her own efforts and by help from here and there, to a very high standing in the college. She has majored in History and her instructors feel that she will make an exceptionally fine teacher. She is looking forward to a teaching position as soon as she graduates next June.

I am enclosing letters from the three students, thinking that you may enjoy seeing them, though two of them were written only directly to me.

Memorandum to Promotional Office,

On May 2, 1927, Dr. Eric M. North prepared the following memorandum with regard to semi-annual follow-up of payments on the Frances A. Goodridge Scholarship Fund:-

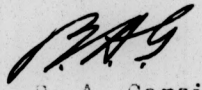

"Arrangement should be made for recall every academic year on September 1st and March 1st for sending notice to S.B. Schauer, Trustee, for \$70. each time for the income of the Frances A. Goodridge Scholarship Fund, the same to be remitted immediately on receipt to the Dean of the Woman's College."

Our Central Office, having gotten into the habit of sending Mr. Schauer these semi-annual reminders, has been continuing along the same lines as were followed before the Yenching Promotional Office was so organized as to follow up such items. However, it now appears that the simplest and most logical procedure would be for the Promotional Office to send out these reminders along with the others of a similar nature which you are mailing out constantly.

We would suggest, therefore, that if satisfactory to you, the Promotional Office undertake to send out these semi-annual reminders, beginning September 1, 1931. Our Central Office will of course continue to be responsible for seeing that the remittances are forwarded to the field without delay.

I believe you have all the facts in regard to these funds. If you need anything further, please let me know.

My dear Mr. Shauer:

INDEXED

I have great pleasure in letting you know that the Frances A. Goodridge Scholarship was awarded last autumn to Miss Li Pi Hsia. This is the first time that the scholarship has gone to a woman student who has passed on from Yenching to the Peking Union Medical College. The arrangement between the P U M C and Yenching University is that all medical students take three years of college work with us, and at the end of their Junior year take a stiff examination, which, if they pass, admits them to the five years' medical course at the P U M C. After one year at the P U M C they return to receive their B. S. degree from Yenching University. Miss Li, therefore, is still a member of the Senior class at Yenching, although she is studying this year at the P U M C, and expects to receive her B. S. degree from Yenching in June 1932. Very few Chinese women are able as yet to take this long arduous course. The training given at the P U M C ranks with the best of the medical schools of the west.

Miss Li is one of the most unique women students that Yenching has ever known. She comes from a Christian home, her father being a commercial man of Newchuang in southern Manchuria. Miss Li herself received great help during her six years in the Methodist Girls School, Peking, and before coming here had done great work in young people's activities. She was especially good as a Sunday School teacher. She took a leading place straightaway in Yenching in our Yenta Christian Fellowship, and became a great favourite in her year because of the reality of her Christian life. She is the embodiment of sunny friendliness. She is a fine athlete, obtaining the highest grade of her year in Physical Education. Her academic record is the best of any woman student for the last five years in Yenching. There was no question whatsoever as to who should have this scholarship for this year. It is regarded as the greatest honor which any girl can get in Yenching, and everyone acknowledges that Miss Li Pi Hsia unquestionably deserves it, and by awarding it to her I can assure you that the scholarship itself has added lustre to its tradition.

0348

- 2 -

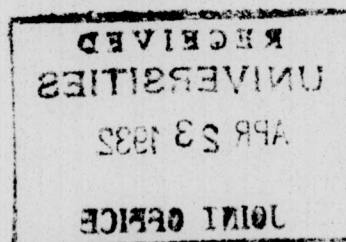

Miss Li had already begun her work in the P U M C when the award was decided upon, and a gathering was arranged at the Dean's Residence for all the students of her year, and she was invited back for the day, and the check was presented to her amid the joyful acclamations of her class.

Appreciating your generosity as trustee of this fund in making possible this award year by year, and thanking you in the name of the College, I am

Yours sincerely,

New York City

Dear Sir:

I have today received a letter from the Inland Power and Light Corporation, dated December 1, 1932, advising me that "it finds it necessary to default in the payment of interest due that date on the 7% debentures of the company. A reorganization of the affairs of the company will be undertaken and you will be kept fully advised of the progress along these lines."

As these debentures represented the capital investment of the trust funds upon which the income depended for the help we have been giving to the Frances A. Goodridge Memorial Fund for the University, I regret to have to inform you there will be no further funds available for this purpose until and if such income be resumed.

Very truly yours,

Schaver

My dear Mr. Schauer:

Let me acknowledge receipt of your letter of December 20th.

We are sorry to learn that the income on the Frances A. Goodridge Memorial Fund has, for the time being, suffered the same fate as has befallen so many other funds during recent months. We sincerely hope that the Inland Power and Light Corporation will soon find it possible to resume its dividends.

We have communicated your report to the Finance Committee of the Trustees of Yenching University, and are also transmitting this information to the field, so that they may suspend temporarily any further payments on this scholarship.

Hoping that 1935 will bring the long awaited turn toward better times, I am

Very sincerely yours,

TRANSFER

My dear Mr. Schauer:

I have just received a letter from the office of the Field Treasurer at Yenching University, written shortly after the field received news of the temporary discontinuance of income on the Frances A. Goodridge Memorial Fund.

This letter informs us that due to favorable exchange during recent years, the field has been able to build up a reserve in the Frances A. Goodridge Memorial Fund which will make it possible for them to continue giving scholarships during the next few years. We sincerely hope that dividends on the Inland Light and Power Corporation will be resumed before this reserve on the field has been exhausted, so as to permit the unbroken continuation to these very helpful scholarship grants.

Very cordially yours,

BAG:PW

Secretary

Dear Sir:

In December 1932 you wrote us that income for the Frances A. Goodridge Memorial Fund for Yenching University had been defaulted by the corporation whose securities were held in this fund.

We are wondering what the possibilities are of a resumption of income. The field is writing us, as the funds are now being depleted. They are hoping that new funds will be available.

Very truly yours,

CAE.A

Associate Treasurer.

My dear Mr. Shaver:

On November 19th we wrote you regarding the income from the Frances A. Goodridge Memorial Fund, which in the past has been paid for scholarships at Yenching University.

The University has written to us, hoping that we could secure some information as to the possibility of a return of a paying basis of the securities held in this account. Quite naturally, there is considerable anxiety on the part of the field as this income has been used in the past in such a way that scholarships will have to be discontinued very shortly unless further income is received.

Any information you can give us on this subject will be greatly appreciated, and we are enclosing a stamped envelope for your reply.

Very truly yours,

Dear Sir. In reply to letter of inquiry of
Nov 19, 1934, as yet there has been
no resumption of income for the
Frances A. Goodridge memorial fund
for general university purposes
by the corporation whose securities
were held in trust by the writer, as
designated by the donor. Neither is
there any encouraging prospect for
resumption of income so long as
we are able to judge.

Dear Mr. Evans,

Re your letter of December 26th, just received: Frances
A. Goodridge Memorial Fund.

The securities turned over to this Trustee, upon which we are entirely dependent for income for this Memorial Fund, consist of two \$1,000. 7% Debenture Bonds of the Inland Power and Light Company and one of the so called "Insull" group. Under date of December 1, 1932, we received first notice of default in payment of interest from the company, defaulting on interest due January 1, 1933, and no interest paid since. The affairs of this corporation, according to our advices, are undergoing an effort to reorganize to try and salvage something, but our best information from our advisor does not indicate much or any encouragement for a return of bond salvage or interest income at any suggested future definite date.

As we were sending you the entire interest income \$70. twice a year, and this entire income and duly and without warning stopped and coupons were returned unpaid, we had no further investment to depend upon for continuing the regular contribution.

We have, however, a small accumulated balance of unappropriated funds in this trust account, which, together with the earning of a few dollars each year are sufficient to make one payment at this time and possibly another (smaller one) during the next year, after which the trust fund will be entirely exhausted and no more available unless there should be some salvage of the bankrupt corporation.

I am taking the liberty of appropriating from this fund remaining at this time the sum of \$100. and enclose a check herewith.

The writer is slowly convalescing from a painful period of illness during past 3 months, in which I have been unable to attend to any business, which accounts for delay in attending to this matter. Trusting this appropriation will be of some help in tiding over the needs of Yenching, I am,

Yours truly,

/S/ A. B. SHAUER

Trustee, F. A. Goodridge Memorial Fund

My dear Mr. Shauer:

I am acknowledging your letter of December 31st, also the check for \$100.00 enclosed therein, representing a payment to be used toward the Frances A. Goodridge Memorial Fund. It is exceedingly kind of you to make the effort to secure this additional amount which will help the field so materially during the coming year. We appreciate it all the more in view of the fact that you were recently ill, and sincerely trust that you are now on the road to entire recovery.

We understand the situation which you face and realize quite fully the problems of a trustee, especially where the investments are limited.

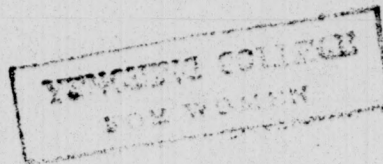

We are communicating with the field, and informing them of the condition which you state, at the same time indicating that adjustments must be made in the budget to make allowances for loss of this income which has been forthcoming in previous years.

Assuring you of our very sincere appreciation, I remain,

Very cordially yours,

My dear Miss Speer:

I am enclosing herewith a copy of a letter received today from the Trustee of the Frances A. Goodridge Memorial Fund. We are depositing this check to your account at the Central Hanover Bank and Trust Company.

You will note that he has made every effort to round up some more money in lieu of the loss of income on the securities held in trust. He indicates that very little will be forthcoming next year, but thereafter, nothing. Accordingly, it will be necessary to adjust your budget to this situation as hard as it will be to do so.

With cordial good wishes, I remain,

Very sincerely yours,
