A NEW AND ENLARGED EDITION OF

WEBSTER'S INTERNATIONAL DICTIONARY

A Dictionary of ENGLISH, Biography, Geography, Fiction, etc.

NEW PLATES THROUGHOUT

25,000 ADDITIONAL WORDS,

PHRASES AND DEFINITIONS

Prepared under the direct supervision of W. T. Harris, Ph.D., LL.D., United States Commissioner of Education, assisted by a large corps of competent specialists.

Rich Bindings. 2,364 Quarto Pages. 5,000 Illustrations.

EXCELS

in the ease with which the eye finds the word sought; in accuracy of definition; in effective methods of indicating pronunciation; in terse and comprehensive statements of facts and in practical use as a working dictionary.

STANDARD AUTHORITY of the U. S. Supreme Court, all the State Supreme Courts, the U. S. Government Printing Office, and of nearly all the School-books. Warmly commended by all State Superintendents of Schools, and other Educators almost without number. It is not only indorsed by the leading critics in America, England, Europe and Australia, but is the Authority for the study of the English language in the University of Japan and other institutions in the east.

THE ABRIDGMENTS OF THE INTERNATIONAL

Are equally trustworthy and all in harmony with the school-books in general use.

Webster's Collegiate Dictionary

is the latest and largest of these abridgments. It has a sizable vocabulary, complete definitions and adequate etymologies. It has over 1,100 pages and 1,400 illustrations. Size 7 by 10 by 2⅝ inches. A valuable feature of its appendix is a Glossary of Scottish Words and Phrases, giving as nowhere else the correct pronunciation of the Scottish dialect. The next in the order of size are:

Webster's Academic Dictionary.

Webster's High School Dictionary.

Webster's Common School Dictionary.

Webster's Primary Dictionary. . .

These School Dictionaries constitute a carefully graded series of such superior excellence that they are in general use in the schools of the United States and Canada. They are warmly commended by the leading educators of the world.

Specimen pages and testimonials from many eminent persons sent on application.

ENGLISH & CHINESE DICTIONARY,

: : : WITH THE : : :

PUNTI & MANDARIN PRONUNCIATION.

For scope and practical service this Work stands unrivalled. All the new words which the Chinese have been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given *in extenso*. Each word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both the Court and Punti pronunciations are given, the accents being carefully marked on the best principle hitherto attained.

The scope of the work is so great, and its utilitarian purposes so complete, that a reference to its pages enables a person who understands English to communicate *effectively* with natives who understand nothing but Chinese. To missionaries and others interested in China it cannot but be invaluable.

It comprises upwards of two thousand large quarto pages.

ENGLISH & CHINESE DICTIONARY, - -

: : : WITH THE : : :

- PUNTI & MANDARIN PRONUNCIATION.

For scope and practical service this Work stands unrivalled. All the new words which the Chinese have been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given *in extenso*. Each word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both the Court and Punti pronunciations are given, the accents being carefully marked on the best principle hitherto attained.

The scope of the work is so great, and its utilitarian purposes so complete, that a reference to its pages enables a person who understands English to communicate *effectively* with natives who understand nothing but Chinese. To missionaries and others interested in China it cannot but be invaluable.

It comprises upwards of two thousand large quarto pages.
